Introduction

The CJA eVoucher System is a web-based solution for submission, monitoring and management of all Criminal Justice ACT (CJA) functions. The eVoucher program will allow for:

- On-line authorization requests by attorneys for service providers
- On-line voucher completion by the service provider or by the attorney acting for the service provider
- On-line voucher review and submission by the attorney
- On-line submission to the court

Unless the court has indicated otherwise, attorneys are generally required to create and submit vouchers for their service providers. The program includes the following modules:

Panel Management

- Allows attorneys to manage their own account information including address, phone, firm associations and applicable CLE credits.
- Allows for submission of holding periods or a specific amount of time taken off for medical leave, vacation, etc.

Voucher & Authorization Request Submission

- Authorization requests by attorneys for expert services.
- Requests by attorneys for interim payment.
- Upload supporting documents to vouchers or authorization requests.
- Reports for attorneys to take an active part in monitoring costs.
- Automatic e-mail notification to attorney of approval or rejection of vouchers and authorization requests.

Browser Compatibility

- Windows: Internet Explorer 8 or newer are approved.
- Apple Macintosh: Safari 5.1 or newer is approved.
- Apple Mobile: Safari is approved (with limitations).
- Chrome, Firefox and other browsers may not be used with CJA.

Court Appointment

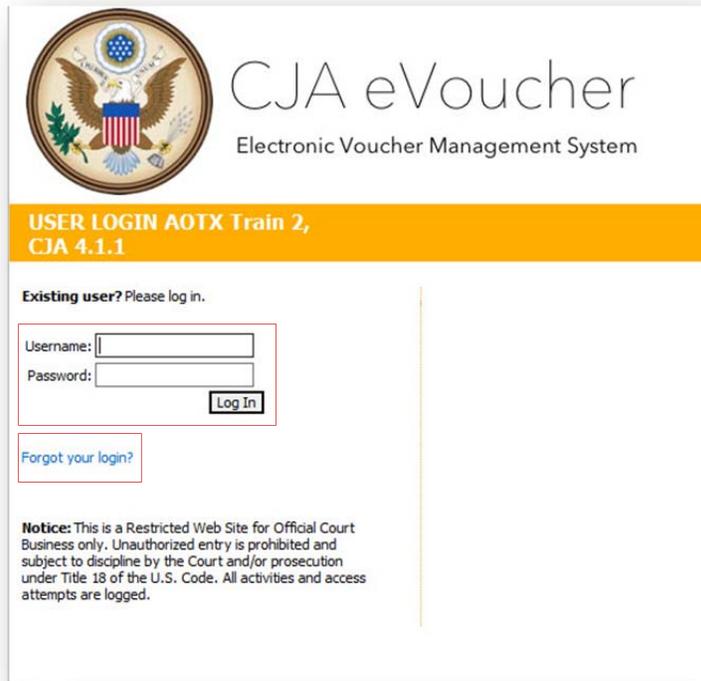

When an appointment is made, an email will automatically be generated by the program, and sent to the appointed attorney. The email will confirm the appointment and provide a link to the CJA eVoucher program.

Some Courts may send a proposed email to the Attorney, awaiting acceptance of a specific case.

Accessing the CJA eVoucher Program

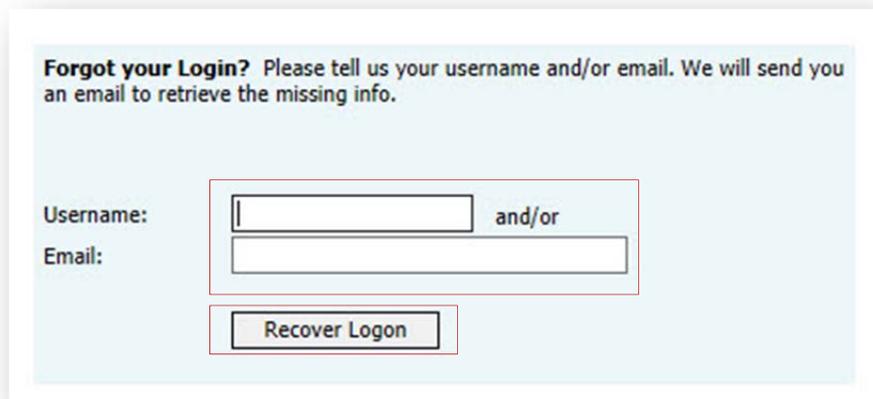

Your court will provide information on how to access eVoucher. It is suggested that you bookmark it for easier access.

Reports and Case Management

At the start of a case, it may be difficult for counsel or the court to know whether a case has the potential to exceed the statutory maximum (\$800) allowed for representation.

Therefore, attorneys are encouraged to monitor the status of funds, attorney hours as well as expert services, by reviewing the reports provided in the CJA eVoucher program. Items to remember:

- Viewable reports appear on the left review panel.
- Each panel, depending upon which document you are viewing, can have different reports available.
- Each report can have a short description of the information received when viewing that report.
- The two main reports are the Defendant Detail Budget Report and the Defendant Summary Budget Report.

Other accessible reports can be found on the Menu bar.

Defendant Detailed Budget Report

This report will reflect the total amount authorized for this representation, any excess payment allowed, the vouchers submitted against those authorizations, and the remaining balances.

The report will provide the information in two sections: Attorney appointment and authorized expert service.
