

Jury Instruction No. _____

You must not award compensatory damages more than once for the same injury. For example, if the plaintiff prevails on more than one of plaintiff's claims and establishes a dollar amount for plaintiff's injuries, you must not award the plaintiff any additional compensatory damages on each claim. The plaintiff is only entitled to be made whole once, and may not recover more than plaintiff has lost. Of course, if different injuries are attributed to the separate claims, then you must compensate the plaintiff fully for all injuries.
