Today our Court learned of the passing of former United States Senator Pete V. Domenici. On behalf of the federal judges and staff in the District of New Mexico, I wish to express my Court's condolences to Mrs. Nancy Domenici and the entire Domenici family, and to express our gratitude for his service to our State, District and Nation. As a public servant whose career spanned some thirty six years, Senator Domenici worked tirelessly with his colleagues to ensure that the Federal District of New Mexico received adequate resources to address its ever increasing caseload. His work on behalf of our State and our Nation will be long remembered and appreciated.
