

## **Judge Fashing Dress Code**

Notice: To all attorneys, witnesses, jurors, agents and courtroom spectators.

To maintain the dignity of the Court, the Court requests that the following list of minimum standards regarding appropriate dress be met before entering the courtroom:

1. Attorneys appearing before the Court should wear suits or similar appropriate courtroom attire.
2. Adults other than attorneys should wear long pants and a collared shirt, blouse, or sweater, or a dress or skirt, as appropriate. (Jeans are acceptable.)
3. All adults must wear shoes in the courtroom. (Thongs are not acceptable.)
4. Shorts, T-shirts, revealing and/or ripped clothing are not acceptable. (Anything that reveals the midriff or underclothing is not acceptable.)
5. Hats or caps must be removed while in the courtroom.
6. The Court will permit more leeway with children in the courtroom, but in general, adults accompanying children should ensure that each child's dress is appropriate, and that it conforms as closely as possible to the guidelines applicable to adults.

Deviations from the above standards by lay persons (other than those who are in custody at the time of the proceeding) should be brought to the attention of court personnel and approved by the Court prior to entering the courtroom.

Your cooperation is appreciated.
