NOTICE TO MEMBERS OF THE BAR ON AMENDMENT TO REALTIME SERVICES POLICY

At its September 2011 session, the Judicial Conference of the United States amended the maximum realtime transcript rate policy to eliminate the requirement that a litigant who orders realtime services must purchase a certified transcript (original or copy) of the same pages. Certified Realtime Reporters (CCR) may continue to charge a per page fee for a realtime unedited transcript transmitted via a realtime feed in the courtroom but they may no longer require a litigant to order a certified transcript of the same proceeding. Litigants may order a certified transcript, but they are not required to do so.

The revised policy is effective **on January 1, 2012**. Maximum transcripts rates are set out below for your convenience.
